Company (NYSE: LXU)

ClimateMaster works continually to improve its products. As a result, the design and specifications of each product at the time for order may be changed without notice and may not be as described herein. Please contact ClimateMaster's Customer Service Department at 405-745-6000 for specific information on the current design and specifications. Savings vary due to weather conditions, local conditions, user preferences and utility rates. Statements and other information contained herein are not warranties and do not form the basis of any bargain between the parties, but are merely ClimateMaster's opinion or commendation of its products.

The quality management systems used in the manufacture of ClimateMaster's products are ISO 9001:2000 certified.

CLIMATEMASTER®
GEOTHERMAL HEAT PUMP SYSTEMS

SMART | RESPONSIBLE | COMFORTABLE

NATURALLY CONTROL COMFORT AND COST

Wherever you live, the temperature beneath your home remains constant regardless of the season. ClimateMaster® geothermal heat pump systems harness the stable underground temperature to provide heating, cooling, and hot water at remarkably high efficiencies. So high, in fact, that energy use can be cut by up to 80%.

As the world's largest and most progressive leader in clean, renewable geothermal technology, ClimateMaster leads the way with its award-winning Tranquility Series geothermal heat pumps.

Start saving today. Visit climatemaster.com or call 1-877-436-6263 to find a dealer near you.

THE TRANQUILITY SERIES

- Saves up to 80% of your heating, cooling and hot water costs.
- Energy Star® qualified for a 30% federal tax credit on the total system and installation cost.
- Reliability backed by a 10-year limited warranty.
- Ozone-safe refrigerant for environmental protection.
- Engineered for whisper-quiet operation.
- Enhanced filters provide superior indoor air quality for your family by capturing nearly 100% of pollen and spores.
- Advanced features provide maximum comfort and efficiency.

INVEST IN SAVINGS

Calculations are based upon current utility costs for a typical home in the U.S. Midwest. Visit climatemaster.com to use our online energy calculator or contact a dealer for your detailed savings estimate.
