

# PENNSYLVANIA HOME HEATING EQUIPMENT REBATE PROGRAM

## ABOUT THE PROGRAM

Funded by the 2009 American Recovery and Reinvestment Act (ARRA), the Pennsylvania Home Heating Equipment Rebate Program offers rebates to Pennsylvania residents in existing single-family homes to encourage energy efficient product purchases and save energy throughout the state.

## PRODUCT QUALIFICATIONS

Rebates offered by this program are only available for qualifying heating equipment that are non-electric ENERGY STAR-qualified water heaters, furnaces, and boilers. Please click on the links below for information on specific qualifying models in each category.
