

PPL Electric Utilities

# PPL HOME COMFORT REBATE PROGRAM

**PPL is currently offering consumer rebates to PPL customers for improving home energy efficiency.**

These programs include:

## Energy Efficient Equipment Rebate

Rebate is provided when the consumer installs new energy efficient equipment in an existing residence according to program parameters.

## Audit & Weatherization Rebates

Two rebates available to consumers: an audit rebate to determine current opportunities for energy savings AND a weatherization rebate on duct sealing after an audit has been completed. The audit is required to receive the weatherization rebate.

## New Construction Builder Rebate

Rebate is provided when the consumer installs new energy efficient equipment as part of new construction according to program parameters.

### Eligible Amana/Goodman Equipment

#### Amana

- ASXC18
- ASXC16
- ASX16
- ASZC18
- ASZC16
- ASZ16
- ASZ14

#### Goodman

- DSXC18
- DSXC16
- GSX16
- DSZC18
- DSZC16
- SSZ16
- SSZ14

### Eligible LG Equipment

#### LG DFS

- LS120HEV
- LMU187HV
- LMU247HV
- LMU540HV
- LA180HSV2
- LA240HSV2
- LS181HSV2
- LS240HSV2
- LS307HV2
- LS180HEV
- LS240HEV
- LS120HYV
- LA120HSV2
- LS121HSV2
- LMU369HV

**Note:** Installed systems must be rated by the Air-Conditioning, Heating and Refrigeration Institute (AHRI). AHRI certificates may be downloaded at [ahridirectory.org](http://ahridirectory.org) and must accompany rebate submissions. Rebates will be paid based on the AHRI certificate efficiency.
